## What are the Practical Advantages of Using Aero Pallet Bands?

- Stabilization for most loads can be achieved with just one properly sized Aero Pallet Band
- Multiple Pallet Bands can be used to meet unique pallet load requirements
- Pallets stabilized with Aero Pallet Bands can be moved quickly & safely from station to station or put into overhead storage racks
- Aero Pallet Bands allow air to flow freely over product making them great for freezer applications
- Aero Pallet Bands pose no Fire Hazard, they allow sprinkler water to do its job in an emergency fire situation
- One worker application requiring no additional equipment equates to fewer man-hours and lower equipment costs
- Aero Pallet Bands incur no special disposal costs
- Aero Pallet Bands allow for the stabilization of open pallets leaving material accessible without the need to remove wrap and/or re-wrap

### Why Pallet Bands?

- Reusable
- Environmentally Friendly
- Ease of Use
- No Additional equipment required
- Saves Time
- Saves Money

**Pallet Band Size Chart**

| Pallet Size | Band Circumference | Band Width |
|-------------|--------------------|------------|
| 24" X 32"   | 56"                | 3/4"       |
| 32" X 40"   | 72"                | 3/4"       |
| 36" X 36"   | 72"                | 3/4"       |
| 36" X 42"   | 84"                | 3/4"       |
| 36" X 48"   | 84"                | 3/4"       |
| 40" X 48"   | 92"                | 3/4"       |
| 48" X 48"   | 92"                | 3/4"       |
| 48" X 60"   | 112"               | 3/4"       |
| 48" X 72"   | 128"               | 3/4"       |

**Tuff Job "Corner Protector" Band Size Chart**

| Pallet Size | Band Circumference | Band width |
|-------------|--------------------|------------|
| 32" X 40"   | 60"                | 1/4"       |
| 40" X 48"   | 80"                | 1/4"       |
